

Return & Refund Policy

Last Updated: 02/10/2026

At Makhe India, we want you to receive your order in good condition. Since our products are food items, returns are subject to the conditions mentioned below.

1. Returns

For hygiene and food-safety reasons, we generally do not accept returns of food products once they have been delivered.

However, if you receive:

- A damaged product
- A wrong product
- A defective or tampered package
- A product damaged during transit

please contact us as soon as possible after delivery.

2. Damaged or Incorrect Orders

If your order arrives damaged or you receive an incorrect product, please contact us within 48 hours of delivery.

We may request:

- Order number
- Photographs/videos of the received product
- Photographs of the outer packaging
- A description of the issue

After reviewing the request, we may offer a replacement, refund, or another appropriate resolution, depending on the circumstances.

3. Refunds

If a refund is approved, the refund will generally be processed to the original payment method used for the purchase.

The time taken for the amount to reflect in your account may depend on your bank or payment service provider.

4. Non-Refundable Situations

Refunds or replacements may not be available in cases such as:

- Change of mind after delivery
- Incorrect address provided by the customer
- Failure to accept the delivery

- Product damage caused after delivery due to improper storage or handling
- Requests made outside the applicable reporting period
- Products that have been opened, consumed, or otherwise used, except where the issue relates to a verified product defect or damage

5. Cancellation

Order cancellation may be possible if the order has not yet been processed or dispatched.

Once an order has been dispatched, cancellation may no longer be possible.

To request cancellation, contact us as soon as possible at wecare@makheindia.com or +91 8409118082.

6. Refund Processing

Once a refund is approved, we will initiate the refund within a reasonable processing period. The actual credit time may vary depending on the payment method and financial institution.
